

HOTTICKET

Style seekers planning a far-flung foray should cast their eyes to Latin America. Uruguay is especially exciting as it's less discovered than Brazil and Argentina, yet it has luxe-for-less licked. **Playa Vik** is a white-hot new hotel in Jose Ignacio (doubles from about £200; playavikjoseignacio.com). Also on my fantasy list is **Casa Zinc** in boho-cool La Barra (doubles from about £110; casazinc.com).
